MOTION TO EXTEND THE REINSTATEMENT DATE

Plaintiffs Robert Saiger and Howard Goldberg respectfully request that the Court grant an additional twenty-one (21) days for the dismissal in this case to convert to a dismissal with prejudice, in order to give the parties the necessary time to finalize the settlement in this matter. In support of this motion, Plaintiffs state as follows:

1. The parties have agreed to settle this matter.

2. Pursuant to the parties' settlement agreement, this case was dismissed without prejudice on October 3, 2017 with leave to reinstate by November 3, 2017. The Court has explicitly retained jurisdiction over the case to enforce the terms of the settlement (Dkt. 38).

3. Pursuant to the Court's order, the dismissal in this case will automatically convert to a dismissal with prejudice on November 3, 2017 (Dkt. 38).

4. Performance of the settlement agreement has not been fully completed.

5. In order to ensure the Court retains jurisdiction to enforce the terms of the settlement agreement, Plaintiffs ask that this court extend the time to reinstate this case. Plaintiffs also ask that this Court grant the parties an additional 21 days to finalize the settlement before the dismissal in this case converts to a dismissal with prejudice.

6. This time is not meant for purposes of unnecessary delay and will not prejudice any

party in the litigation. This time is necessary to finalize the class settlement agreement and corresponding preliminary approval documents.

WHEREFORE, Plaintiff respectfully request that the Court grant an enlargement of time up to and including Friday, November 24, 2017 for the parties to complete their settlement and for this case to be dismissed with prejudice.

Respectfully submitted,
